## ACCOMMODATION SERVICE

If you're planning a daytime or evening event, perhaps a special service, reunion dinner, ceremony or seminar then let your **CONA Holiday Service team** know where and when it will take place. We can then provide you with overnight accommodation offers and direct booking lines (that you can include on

your promotional literature) which will help to make your event accessible to an even wider audience. And should people wish to extend their stay by adding extra nights then we can help to arrange additional nights accommodation for them.

## SPECIAL ITINERARIES

The new Navy Memorial

Your **CONA Holiday Service team** will help you plan itineraries and events at home and overseas for groups, both large and small. If you're planning to visit regions or attractions that are of special sentiment or interest to your members then we
